Regarding Invitation of Objections/Suggestions for Declaration under Garbage Free City (GFC) Protocol under Swachh Bharat Mission

In accordance with Garbage Free City Star Ranking by Swachh Bharat Mission under Ministry of Housing and Urban Affairs, Government of India a preliminary resolution has been passed to declare NOIDA as 5 (Five) Star City under the same protocol. The preliminary resolution is based on city efforts and achievements in the area of 100% Door to Door collection and segregation of waste, sweeping of public and commercial areas, management of litter bins, bin free city, 100% processing of waste, user fee collection and sustainable financing, enforcement and plastic ban, drain cleaning, C&D waste management, effective citizen grievance and redressal, dumpsite remediation, bulk waste generator compliances and other areas mentioned in GFC protocol.

Thus, regarding the same NOIDA would like to appeal its citizens to provide with their objections and suggestions within 15 days from the date of publication to Senior Project Engineer, Public Health Department, Sector-39 NOIDA. NOIDA will adopt a final resolution to declare the city as Garbage Free 5 star city after completion of the above-mentioned timeline.
